June 10, 2010

Mr. Michael P. Beiter  
Lamar Advertising of Williamsport  
P.O. Box 1775  
Williamsport, PA 17703

Dear Mr. Beiter:

The Board of Commissioners for the County of Lycoming expresses its most sincere thanks for the responsiveness, willingness and commitment to community safety that Lamar Advertising demonstrated this past week.

Your prompt creation of an electronic billboard to announce the escape by inmate Timothy Lee Jacobs on Tuesday, June 1<sup>st</sup>, helped to disseminate factual information rapidly to the public regarding the escapee and the situation. We believe your willingness to assist in getting the inmate's color photo and pertinent information contributed to the obvious difficulty the escapee had appearing in public places or trying to exit the area. As you know, local law enforcement apprehended the inmate on Wednesday morning, June 9<sup>th</sup>, in Williamsport.

Please convey our thanks for your support and cooperation during this episode to Ashley and all others at Lamar Advertising who are responsible.

Sincerely,

  
Rebecca A. Burke, Chairperson

  
Ernest P. Larson, Vice-Chairman

  
Jeff C. Wheeland, Secretary
