

Contact the lawyer who helped write the laws regulating billboard advertising in Virginia.

Gentry Locke Partner **Chip Dicks** helped write legislation passed by the Virginia General Assembly affecting the regulation of billboards by VDOT and local governments.

At Gentry Locke, Chip heads a team of attorneys who are able to efficiently pinpoint issues and effectively handle permitting, acquisition and development, zoning and sign ordinance laws, administrative appearances and appeals, and more.

We represent the OAAV and billboard companies doing business all over the Commonwealth. Find out all the ways Gentry Locke can help you achieve success at gentrylocke.com.
