

RELIABLE ELECTRIC PRODUCTS

C O M P A N Y

Reliable Electric Products Company has been the leading provider of Lighting Products and Electrical to the Outdoor Advertising Industry since 1945.

Reliable Electric's emphasis on "Service" has made Reliable a partner to the Outdoor Advertising Industry by keeping the industry supplied with the most dependable light fixtures, lamps, ballasts, time clocks, combination time clock service panels, safety equipment, and accessories available. Reliable will continue to provide the latest LED lighting technology to the Outdoor Advertising Industry through educational programs in conjunction with national and local industry associations.

To all our old friends, our "Thanks" for over seven decades of your business! To all our potential customers, please try us on your next order. We know you will quickly become one of our old friends.
